

Overseas Student Health Cover

✓ What's covered

Hospital Costs

We will cover you as a private patient in all Members First, Network and public hospitals in Australia. When admitted to hospital, in most cases you will be covered for in-hospital charges including:

- ✓ Accommodation for overnight or same day stays
- ✓ Operating theatre, intensive care and labour ward fees
- ✓ Reimbursement on emergency department fees at any private or public hospital including administration fees even if not admitted to hospital
- ✓ Supplied pharmaceuticals approved by the Pharmaceutical Benefits Scheme (PBS) and provided as part of your in-hospital treatment
- ✓ Physiotherapy, occupational therapy, speech therapy and other allied health services provided as part of an inpatient admission
- ✓ Surgically implanted prostheses up to the approved benefits on the Government Prostheses List
- ✓ Private room where available and clinically appropriate[^]

Medical Costs

These are the fees charged by a doctor, surgeon, anaesthetist or other medical specialist for any treatment given to you. You are covered for:

- ✓ The cost of in-patient medical services up to 100% of the Medicare Benefits Schedule (MBS) benefit. This is the amount determined by the Australian Government for a specific service for Australian residents.
- ✓ Medical treatment by a doctor or specialist in private practice anywhere in Australia, for up to 100% of the Medicare Benefits Schedule (MBS) benefit. This is the amount determined by the Australian Government for a specific service for Australian residents.
- ✓ Most inpatient or outpatient diagnostic tests recognised by Medicare as medically necessary (e.g. pathology, radiology).

If your doctor or specialist charges more than the above benefit there will be a 'gap' for you to pay.

Other Costs

- ✓ Unlimited emergency ambulance transportation and on-the-spot treatment by our recognised providers.
Please note: You will not be covered for any non-emergency ambulance services.
- ✓ Selected pharmacy items including discharge medication. You'll receive up to \$50 per script item, up to a maximum of \$300 per person (\$600 per family membership) per calendar year, after you pay the Pharmaceutical Benefit Scheme (PBS) patient co-payment fee. This is provided the pharmacy items usage is approved by the Therapeutic Goods Administration (TGA)
- ✓ Public hospital outpatient treatment for medical and post-operative services.

Pre-Existing Condition

A pre-existing condition is any condition, ailment, or injury, that you had signs or symptoms of during the six months before you joined or upgraded to a higher level of cover with us. It is not necessary that you or your doctor knew what your condition was, or that the condition had been diagnosed.
